How to set up automatic monthly donations!

A little goes a long way, especially when many people are contributing! Your monthly donation of \$20, \$40, or \$60 makes a huge impact on the financial stability of this ministry. If you would like to support ENMC monthly, here's how:

Go to our website at enmc.ca

Choose which area of ministry you would like your donations to go. You can choose between staff support, operation costs (general fund) or loan repayment.

Enter the amount you would like to donate and check the box marked, "make this a monthly donation". Any amount is helpful, no matter how small!

Follow the directions from there and that's it! For the cost of a subscription, you have partnered with the work God is doing in the Indigenous Communities of Northern Alberta. (And this 'subscription' includes perks like a chance to pray and opportunities to serve at ENMC!)

Eagle's Nest Ministry Centre exists to provide a place for counselling, training, retreats, and a variety of camps to support ministries that are focused on building thriving Christian fellowships in First Nations communities. This will be accomplished by bringing together local churches and Christian organizations to support ministries that are focused on First Nations communities.

Everything we do throughout the year is to follow Jesus' command to make disciples of all Nations. Our camps this summer provided many opportunities to share the gospel message.

On an even broader scale it created so many more connections and strengthened relationships. It also strengthened our vision to invest in and come alongside Indigenous Evangelists and Pastors who have a heart to reach their communities with the message of Jesus.

We don't need to doubt that the gospel message is making a difference. We can see that it is! And we have faith that God is doing much more than we can even see through ENMC. God promises in His Word that, "As the rain and the snow come down from heaven, and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, 11 so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it." Isaiah 55:10-11. Because of this promise, we persevere in sharing God's Word to the First Nations Communities.

We look forward to the doors God will open during this coming winter. Thank you to all the donors, prayer partners, volunteers, board members and staff who enable ENMC to be the hands and feet of Jesus to the nations!

Our Summer at Eagle's Nest Ministry Centre!

Family Camp

We kicked off the summer with one week of family camp. This week was open to all communities. The highlight of this week was having Okemow Ministries hold tent meetings each evening. What a blessing to see believers from all over Northern Alberta share their testimonies, worship together, and hear teaching from God's Word!

From the Summer Directors

This past summer was a lot of fun for myself and Natasha. I was in a new role and that came with some challenges and opportunity to grow as a person and with God. We really had to rely on God a lot and trust in His directions as each week was different from the rest. I remember praying for a particular staffing need and God answered it almost immediately. It showed myself and Natasha just how much God is in control. Upon trusting in God, I was really humbled by the number of younger staff and volunteers that were willing to come out and serve. This year had a higher number of teens that wanted to come and serve for more than one week. A couple of moments that had stuck for myself and Natasha were hearing people from the communities that we serve open up and share their stories or testimonies. That they are hungry to know more about God. During teen week there was a moment of peace when we stood in the middle of camp and saw the different teens engaging in their discipleship groups. It was great to see and hear them ask questions about Jesus, what it means to follow Him, how to surrender to Him.

Blessings,
Chris & Natasha Griffiths

Summer Camps

After several summers of running limited kids camps due to Covid restrictions, it was so great to be able to run 5 weeks of kids camps this year! Kids from Fort Vermilion, North and South Tall Cree, Bechoko, Boyer, Eleske, Meander, Bushe, Chateh, and John D'or were able to hear about and experience the love of Jesus. Thanks to our summer camp coordinators, Chris and Natasha Griffiths, and our team of amazing staff, it was a fun and memorable summer for everyone who came out!

Teen Camp and L.I.T. Program

Like the past few years, our Leaders In Training (L.I.T) Program was a huge success! Young teens from many different places played a vital role in the summer program. They were cleaning crew, junior cabin leader, activity leaders, and on the last week, they got to be campers! A smaller kids camp meant that there was enough staff and cabins to invite all the L.I.T. teens from the previous weeks back to enjoy a week of Teen Camp alongside Kids Camp. We are praising God for how He is working in these young people's lives!
