Summer Camps 2018

Summer Camps in 2018 started off shaky with very few staff members and volunteers. Unfortunately, the first week we had to send the children home early because of safety reasons that stemmed from lack of supervision. From there the weeks got better and better, although finding volunteers continued to be difficult throughout the summer. Our prayer is that next year there will be more people who will be excited about helping out with the camps. It was a huge blessing to have students from Mount Carmel here again this summer! Mount Carmel is a discipleship school located in Edmonton which has faithfully supported Eagle's Nest. Once per winter, the whole school comes and spends a week in one of the reserves in our area. We are so thankful for their support year after year! We also want to thank those of you local Christians who came to help. Without you this ministry would not be possible!!

Early History of Eagle's Nest

Last summer we met with a lady named Mildred Taylor in Three Hills, AB. She and her husband were here at Eagle's Nest right in the beginning. She recommended this book called, "The Hand of the Ancient One", which is the biography of Art & Emalou Norris, missionaries to the Navajos in the USA. The book also includes the fascinating story of how Eagle's Nest got started. If you're at all interested in First Nations ministry in our area, we highly recommend this book!

Coming up...

Trip to NorthWind Family Ministries

Dwayne & I (Sharlyn) are planning a week long trip to Thunder Bay, ON. Bera & Bonita Ledua, along with their team of staff members, run a counseling centre there, which is similar to what we are planning to start at ENMC. The Family Strengthening program is something we are excited to learn more about, and to see what it looks like in action. Pray that God will teach us during our 4 days there! On our way home we will also be visiting Inner City Youth Alive in Manitoba, to learn about their Indigenous Leadership Initiative Program.

Candy Bags

We will again be delivering candy bags, which hold fun treats and a pamphlet with the Gospel message, to the communities in our area. This has been a great way to maintain the good relationship ENMC has with our FN neighbors, and gives volunteers a chance to see the homes of the kids they minister to during the summer. Contact us if you'd like to get involved!

Conference & Outreaches

Our plan is to host some kind of conference in the near future. So far we are still waiting on God's leading as to what kind of conference we will host.

Other outreach includes a potential trip to Fort Chipewyan for a weeklong VBS in the evangelical church there.

As we wait for things to fall into place with the counselling program, we will continue with weekly trips to Meander (volunteering at a Right to Play program), Fort Vermilion (Awana), and Boyer (Volunteering and joining in various community programs).

Prayer Requests

- Pray for revival in First Nation Communities.
- Pray for the missionaries.
- Pray for team members for the counselling program.
- Pray for wisdom and guidance for us as we pursue a family counselling program.

In 2015, local businesses graciously loaned us enough money to buy the ENMC grounds. Now we would like to return part of that loan. Your help is greatly appreciated!

Which Baker Are You?

Eagle's Nest Ministry Centre exists to provide a place for counselling, training, retreats, and a variety of camps to support ministries that are focused on building thriving Christian fellowships in First Nations communities. This will be accomplished by bringing together local churches and Christian organizations to support ministries that are focused on First Nations communities.
